AT HOME

Innovative senior support.  
In the comforts of your home.

OUR MISSION IS SIMPLE.

Our Services.  
**Your Goal.**  
Your Independence.  
**Your Home.**

As a Judson at Home member, seniors who are not living in a Judson community can benefit from an extensive array of customizable home-based services, including features and benefits related to security, social connection, cultural events, transportation, dining, wellness, and healthcare.

All resources can be designed to fit current and future needs while encouraging active, vibrant lifestyles and the exploration of new interests inspiring members to live life to the fullest.

With Judson at Home, members remain the author of their own life stories. For more than a decade, Judson at Home has provided both practical resources and support for members to live life on their terms. In addition, we help members coordinate various at-home services that promote independence in all aspects of life.
