**Assisted Living &  
Memory Care**  
*(personalized for you!)*

Join us for an exclusive look at Judson (details inside).

# Join us for an informative and educational session to help you understand and navigate Assisted Living and Memory Care.

Our Judson team of experts will lead you in a candid and frank conversation about how Judson brings assisted living and memory care to life. They will discuss how our customized personal care and support services for each individual set Judson apart.

In this presentation, learn what signs to look for when someone you love or care for needs additional assistance. Understand the physiological and physical changes, how to help support that person, and how to ensure you take care of yourself in the process.

**Bringing Community to *Life!***

# Thursday, May 25 at 2:00 pm

Judson Manor Ballroom | 1890 E. 107th Street at Chester Avenue

Assisted Living enhances daily life. Judson creates an environment where residents have freedom while knowing that personal care and support are available when needed. This session highlights Assisted Living amenities, services, and lifestyle.

One of Judson's top priorities in Memory Care is enhancing each resident's life through compassion and understanding. Our Comfort Matters® accredited approach implements individualized practices tailored to each person. Learn more about the different types of dementia and Judson's innovative, personalized care model.
